

Lucian (Lou) Sours - 3081218

1. What name would you like us to use for you?

Lou!

2. What pronouns?

He/Him/His

3. What's the best contact number to use if we need to reach you on short notice? (Or if you need to reach us!)

620-249-1841

4. What prior experience have you had with ecology or field work?

I spent this last summer working in the Bever/Schultz laboratory as a field research assistant and have joined the KBS for water sampling a handful of times!

5. What fascinates you? (pick a thing or two and share a bit of the fascination)

I am fascinated by the ways in which vastly different species interact both indirectly and directly to shape the environment around them. I am also deeply fascinated by lifecycles and how they have developed to fit into specific ecological niches!

6. Is there anything else you would like us to know about you before the course starts? Please include any concerns you have about being outdoors and completing academically rigorous work.

Nothing leaps to mind! I am very excited to get to work in an outdoor setting and gain more hands on experience!
